The two pictures below were sent by John Farrell who lives in Rhode Island. They are of the Windham High School Prom either in 1946 and 1947, which took place in the Town Hall Auditorium where last night's Snowball in aid of the WTHM was held.

Thanks, Tom, for the pics. Good to see you back!! I attended the Snow Ball last night and enjoyed the evening immensely. I think that for just about everyone, there was a sense of having gone back in time. Just going through the front doors once again and being in the ballroom was a great experience. I don't think the evening could have been any better..... an excellent band, great food and the opportunity to do something good for one of our town's fine treasures, the Mill Museum. The Snow Ball had the words, "First

Annual" attached to it last night and I for one am eagerly anticipating the next one.

All good wishes, Pippin

Wow! Great photos! And Pippin is right again! Kudos to Andrew Gibson, Bruce Bellingham, Bob and Pam Horrocks, Pauline Lazzari, Maureen Mulroy, Stan Hale, Brian Riley, Kit Eves, Holly Bland, Bev York and so many others who worked so long and so hard to make the town hall ballroom restoration and First Annual Snow Ball a wonderful reality.

Photo's of this past weekend's Snow Ball can be seen on the WILI AM website. The hall looks beautiful and I am pleased to hear that it was a success... I just have one question....

It is my understanding that the ballroom had been used for storage for many years... Where did all of that stuff go?

I think a lot got moved to the 3rd floor mamabear.

This was an awesome event! I gathered a great group of friends together for a very energetic table. My crew had a great time!
