

**“THE
AMERICAN
THREAD
COMPANY
HAS ALWAYS
TREATED
ME RIGHT”**

“I like my job with The American Thread Company because they have always treated me right and I enjoy helping make a good product.”

Armand Caouette

Skilled hands, modern equipment like this Atwood Up-Spinner and pleasant working conditions are all necessary ingredients in making fine products at fair prices. Modern machines and skilled workers who like their jobs help maintain a high level of quality in products of The American Thread Company.
