

## "I LIKE MY JOB AT AMERICAN THREAD"

"I've been with The American Thread Company for 13 years and my wife has been here for 28 years. We both like our jobs. I like mine because I do my work and nobody bothers me. I'm certainly satisfied."

*Fred Setterberg*

Skilled hands, modern equipment like this Pacific converter and pleasant working conditions are all necessary ingredients in making fine products at fair prices. Modern machines and skilled workers who like their jobs help maintain a high level of quality in products of The American Thread Company.
